

Agenda  
CFI Meeting #9  
12-3-09

Materials to review: Minutes from Meeting #8, CFI Calendar

I. Teacher Teams and CFI Project

- A. How can we assist the Math and English Teacher Teams?
- B. Should we invite Mr. Hawrylczak and Teacher Team members to a future meeting?
- C. What is the baseline assessment for our CFI project?
- D. Are our students flagged in ATS?
- E. What should be our revised SMART Goal?
- F. What resources can we share to help ensure that data informs instruction in a demonstrable way on lesson plans?

II. Cross-curricular Work

- A. How have faculty members responded to Cross-curricular Connections?
- B. How can we encourage more inter-visitation?
- C. Can we ask teachers to share two areas of expertise so that they can act as guest lecturers or collaborators on cross-curricular work?
- D. Can we put information about pacing calendars online?

III. Faculty Presentation

- A. Would it be helpful to distribute a double-sided handout with school goals on one side and information about Inquiry Work on the other?
- B. How can we help each audience member understand the Inquiry Process?
- C. How can we involve current Teacher Team members in the presentation?

IV. Scholastic Guide

- A. Should we revise the March 4 deadline for completion of the *Scholastic Guide*?
- B. Can we create a mini-calendar to guide us in the completion of the *Guide*?
