STUDENTS

PM School Begins on Tue., Mar. 1.

This semester we will offer credit recovery courses through a DOE-approved, online company called Aventa Learning. We consider this Web option to be a good fit for our iGeneration students. Each enrolled student should go to his or her assigned computer lab on **Tue., Mar. 1**. Any parent with a question about a student's program is asked to please call the child's guidance counselor.

AP Examinations

Registration for AP Examinations starts on **Wed., Mar. 2**.

Each AP teacher will give AP students an explanatory letter and Daedalus log-in information on **Wed., Mar. 2**.

The deadline to register and pay for your AP exams is **Tue., Mar. 22**. If you are paying by check or money order, bring your envelope to Ms. Fogel in Room 237. If you wish to pay online, visit LaProgram.org. **NO LATE REGISTRATION WILL BE ACCEPTED!**

To enable students to register for AP examinations, every student enrolled in at least one AP class will receive their Daedalus username and password. You may have received this information before. If that is the case and you have already changed your password, use the last password you had. Your teacher will go over the registration process during class.

Each student will receive their log-in information only one time. Students with more than one AP class will receive their letter from only one of their AP teachers; therefore, AP teachers may not have log-in information for some students. These students should have received it through another class.

Please make sure to see Ms. van Keulen in Room 261 if any one of the following is true: You think the College Office approved you for extended time or special accommodations; you have two examinations at the same time; or you cannot take a test because of a funeral, graduation of a sibling, or other excused absence.

Acuity Tests in English and Math

Acuity tests will be administered after the vacation. The exams will be given on the following days:

Mon., Mar. 7, -Fri., Mar. 11: Int. Algebra 2. (Ask your math teacher about the exact date.)

Thu., Mar. 10: E2/E2H, E4/E4H, and E6

Compulsory Study Hall Attendance

Data Processing (GSPR, GSTH) attendance is required.

Deans will enforce our cutting policy for Study Hall just as they do for other classes. The teacher in charge of a student's Study Hall section will make a referral if necessary. There will be consequences for failing to sign in, which may include detention. Thank you.

TEACHERS

You Rang?

If you wish to have a visitor to the building, you must now first complete an application, which is available in department offices or at the main desk in the lobby. This visitor application must be completed at least one week in advance of the visit.

If a former student or anyone else drops in unannounced, the individual will be asked to make an appointment. This will hopefully also help to avoid classroom disruptions caused by last minute visitors, especially in and around those times college students are on break.

The form you are asked to complete requests that you state the purpose of the visit and requires the approval of your department supervisor. If you have an appointment to meet with a parent of one of our current students, you do not need to complete the application, but you should still contact security with all of the pertinent details.

All approved visitors will be directed to department offices and not directly to classrooms or other such areas. Hopefully this will help us to better determine who should be granted access to our building for legitimate educational purposes.

LaGuardia Auction Benefit

LaGuardia parents Angela Wong and Shino Tanikawa would like to thank you for your dedication to our children.

They appreciate being given the opportunity to speak with you on Jan. 31 about the LaGuardia Auction Benefit that will take place on **Sat., May 7**.

Please be aware that all of those who submit donations between **Wed., Feb. 2 – Tue., Mar. 1**, will have a chance to win the fabulous Keurig Brewer B-40. The winner will be announced at the **Mar. 1** PA meeting, although the winner is not required to attend.

Faculty and staff donors will be entered into an additional raffle for a gift certificate to a local restaurant that offers delicious dishes.

Please use the donation form found at laguardiahs.org/auction. Remember, donations need not cost any money. Field trips for a small group of students, behind the scenes tours with working artists you know, and tutoring/lessons are all very popular auction items!

If you have any questions, please contact LaGuardia parents Angela Wong (646-283-4891, angelawongus@yahoo.com) or Shino Tanikawa (ShinoT@verizon.net).

Please visit laguardiahs.org/auction for more information and to buy raffle tickets for that fabulous trip to Anguilla (5 nights, king suite, breakfast, taxes, airfare included for 2 people)! Watch your mailboxes in March for invitations for you and a guest to attend the auction for free! Thank you!
