STUDENTS

Extended Time on AP Examinations

Extended time AP tests will be administered in the Library. Please refer to the 2012 AP Exam Schedule in this installment of the Second Floor Scoop and on LaProgram.org. Note whether your test(s) will be given in the morning or afternoon.

Thank You for Requesting Classes!

Students requested courses on Daedalus. Daedalus closed on April 29.

Students were able to make informed decisions by reviewing the sequencing charts and course enrollment criteria at LaProgram.org.

On Friday, May 25, each 9th, 10th, and 11th grade student will receive a paper version of requested classes. If a student has questions about course requests, he or she may see a guidance counselor on May 29 (11th), 30 (10th), or 31 (9th).

Please note that no student may request a course after the April 29 deadline.

STUDENTS (CONTINUED)

Regents Registration

Any student who is not in a Regents-terminating class but does need to take the Regents should see a guidance counselor between May 14-18 to register. Any student who does not register cannot take the exam.
