STUDENTS

Make-up Days for AP Exams and Library Closing

Make-up days for the AP exams are Wednesday, May 22; Thursday, May 23; and Friday, May 24. We will use the library for these exams as well; therefore, the library will close again during these three days.

Regents Registration

Any student who is not in a Regents-terminating class but does need to take the Regents should see a guidance counselor to register. Any student who does not register cannot take the exam.

TEACHERS

Extended Time Final Exams

Teachers are asked to bring extended time final examinations to room 261 by Tuesday, May 28. Thank you.

AP Proctors Covered for Day

Any teacher proctoring an AP examination will be covered for the entire day.

Interim Progress Reports

Thank you for submitting Interim Progress Reports. Parents appreciate your efforts.

PARENTS

Early Dismissals and Morning AP Exams

In general, students cannot leave the school until the end of their regular school day without parental permission and an official early dismissal pass.

Although we strongly encourage all AP students to stay in school and go to their afternoon classes at the conclusion of their morning AP exam, many such students who do not have an AP exam that afternoon wish to leave school at the conclusion of their morning AP exam.

In order to process the large number of students who fall into this category, we are asking that any parent who DOES NOT wish their child with a morning AP exam to be released early from school after the conclusion of their morning AP exam to e-mail Ms. van Keulen, AP Coordinator, at Ivankeu@schools.nyc.gov.

If we do not receive such an e-mail from the parent of guardian, a pass will be issued to the student at the conclusion of the morning exam which will permit them to leave the building. This pass should be kept by the student to show their teachers the following day.

Students with an afternoon AP exam are expected to be in school at their regular morning reporting time.

Parents: Please Refrain from Calling.

Parents are asked not to call students while they are taking the AP test. Any given AP exam may take more than five hours to complete.

If you have any questions regarding information on this page, please call Ms. van Keulen, AP of Data and Technology, at (212) 496-0700 X 2261.
