STUDENTS

Regents Registration

Any student who is **not** in a Regents-terminating class but **does** need to take the Regents should see a guidance counselor between **May 10-17** to register. Any student who does not register cannot take the exam.

PM School Requirement

Any student enrolled in an Aventa PM School credit recovery course is required to report to the appropriate computer lab at 4:15 on all **Tuesdays, Wednesdays, and Thursdays**. Any student not making adequate progress may be dropped from Aventa. If a student still needs to register for PM school, he or she should see Ms. van Keulen in Room 261 as soon as possible.

Thank You for Requesting Classes!

Students requested courses on the Daedalus Web site. Daedalus closed on **Thursday, May 5**.

Students were able to make informed decisions by reviewing the sequencing charts and course enrollment criteria at **LaProgram.org**.

On **Friday, June 3**, students will receive request inform reports. A student may see a guidance counselor at that point if he or she has questions. Please note that no student may request an honors or AP course after the **May 5** deadline.

Extended Time Finals

Students with extended time will take the finals in the library following a special schedule.

TEACHERS

New Library Computer Lab

The Library is being upgraded! One room is being equipped with eighteen new Apple computers. If two students were to work at each station, it could be used as a classroom.

Any teacher who would like to use the new Library Computer Lab should e-mail Ms. Wilson at kwilson@schools.nyc.gov to make a reservation.

Summer School Applications

SSIP began accepting staff applications for per session summer school work on **April 27**. Applications submitted after **May 24 at 6:00 p.m.** will be considered late.

Submitting Grade Changes

A teacher may make grade changes for the current semester by resubmitting the updated version of his or her **most recent** EGG file to the appropriate Program Office staff member. This can likely be found in the sent folder in the DOE e-mail account. **Program changes will not be accepted in any other way.** Please visit Room 201 if you have any questions.

Teachers should give extended time final examinations to APs by **June 2 at 9:00 AM**.
